Welcome to the 2023 River Parish Swim League Season!

The swim league board of directors welcome you to the 2023 swim season. Each summer, children from across the tri-parish area come together to create an experience of recreation, fitness and entertainment that helps to weave the fabric of our communities. For the children who participate in the River Parish Swim League, valuable swimming skills are acquired in addition to the life lessons in good sportsmanship. For their parents, it's an opportunity to make friendships across parish lines.

Our league consists of approximately 500 swimmers from ages 3 through **18**. For many of our swimmers, this will be their first time on a team as well as a competitive environment.

The River Parish Swim League operates under the following principles:

- To provide an environment that develops a love for swimming and fitness in each participant.
- To offer a positive competitive experience for both swimmer and parent.
- To provide coaching that allows new, as well as accomplished athletes, to improve their strokes and times throughout the season.
- To develop principles of teamwork, team spirit and sportsmanship throughout all age groups on the team.

Unlike many youth sport leagues and teams, our success and the efficiency with which we can complete our dual meets and annual Invitational, depends on a team of parent volunteers from both the home as well as the visiting teams. Whether this is your first year or you are returning to us, please don't hesitate to get your feet wet on deck this season.

Again, thank you and your swimmer/swimmers for choosing to be a member of the River Parish Swim League!

• PRACTICES

Although practice is not mandatory, all swimmers are encouraged to attend as many as possible. This is the only way to improve your stroke and times. All members and visitors must leave pool area immediately after practices. * Baby pool is off limits during practices for all members and visitors.

• TEAM SUITS AND CAPS

All swimmers are required to wear the team suit and the HHCC team cap at all meets and the Invitational. In addition, girls must wear a cap at all practices (no bobby pins, dangling earrings or barrettes, please). All girls must wear 1 piece swimsuits for all practices.

• WORKING SWIM MEETS

Each family is required to work at least 3 whole swim meets .You may be asked to work more or less swim meets depending upon the number of families we have for the 2023swim season. If you are scheduled for a meet and cannot work, please contact Andrea Carter ASAP. An extra fee will be assessed if you do not work the required meets (please see above under registration). * Baby pool and diving well are off limits during swim meets; no dangling of feet or hands in water.

• INVITATIONAL

All swimmers are encouraged to participate in the Invitational. This is not mandatory, but remember it is the final event of the season and the team needs everyone. All swimmers must participate in 3 swim meets in order to participate in the Invitational. We do encourage everyone to support the host team by buying shirts/shorts/ads, but this is not required.

League Rule - In order to be recognized as a senior swimmer – You must be an aging out swimmer (18 years of age) or graduating high school senior and declares this your final swim season in the league. They must have swam their 3 required meets in dual season and participate in the Invitational.

If a swimmer participates in the Invitational, the parents must be able to work at least 2 shifts during this weekend event or an additional work fee of \$100 will be charged.

• TEAM PICTURES

All swimmers are required to wear their team suit for the team picture (your choice for individuals). We encourage all swimmers to be in the team picture, but it is not mandatory. Picture day this year is on May 25th (time TBA).

• APPRECIATION PARTY

All swimmers who have participated in practices and swim meets are invited to the party for no charge. Siblings of swimmers not on the team and parents that did not work their 3 meets may attend for a fee of \$10/each.

● EXPECTATIONS OF SWIMMERS/PARENTS

Disrespect and horseplay will not be tolerated at any time. Good sportsmanship is expected at all times. * **League rules state, "Good sportsmanship will be stressed by all team coaches for both dual meets and the Invitational. If a swimmers/parents actions/behavior is deemed disrespectful during/at a swim meet the league reps must agree to declare the swimmer/parent ineligible for the remainder of the meet."**

I have read all the rules. I agree and abide by all swim team rules as described in the handout provided. This includes both swimmers and their families.

If not, I understand, I will be removed from that meet or practice. If a second offense occurs, I understand that I will be removed from the swim team.
